

Dear Lincolnwood Voters,

I am pleased to endorse the Alliance for Lincolnwood slate for Trustee of the Village of Lincolnwood. Atour Toma Sargon, Jesal Patel, and Craig Klatzco are the leaders that Lincolnwood needs. Together, the Alliance for Lincolnwood represents the best of Lincolnwood's long tradition of community involvement, vibrant economic development, and welcoming neighborhoods.

All three raised in Lincolnwood—and returned to start their own families. With roots in Lincolnwood's past and an eye towards its future, they truly represent this diverse and wonderful community.

**Atour Toma Sargon** is a young mother who has already provided excellent service in Lincolnwood as Vice President of the PTA. An active leader in the Assyrian community, Atour has already boosted civic engagement and voter registration in Lincolnwood. Atour is a member of the current class of the Illinois Women's Institute for Leadership and has earned a Master's Degree in Public Policy. She represents a bright future that centers the voices of younger women.

**Jesal Patel** is a current trustee and owns a small business based in Lincolnwood. As a trustee, Jesal has been involved in some of the most important negotiations on behalf of the Village, including leading the negotiations to develop the long unused site of the Purple Hotel. Jesal has produced results regarding economic development and strives to maintain the quality of life for Lincolnwood residents.

**Craig Klatzco** is the owner of the Bunny Hutch and Novelty Golf—places that are well-loved by families throughout the area. Craig formerly served as a paramedic, Library Trustee, and Village Trustee in Lincolnwood. Craig has dedicated much of his life to serving the people of Lincolnwood and seeks to continue that service.

Lincolnwood has a choice in this election. The Alliance for Lincolnwood slate is a unique combination of candidates who embrace all Lincolnwood residents, create lasting economic development, and maintain vital Village services.

Sincerely,

---
